'batman' this 'batman' that. who CARES, i look sexy as HELL now. these are cat ears now. so sleek..... so mysterious..... effervescent. absolutely perfect because im gay.. In my opinion, all the cosmetic DLCs aren't really worth it. The base game already have plenty of nice skins to unlock, and the DLC skins are pretty much gimmicky and doesn't really look that cool. I would recommend to buy [The Handsome Collection during a sale to "complete your collection" instead.](#)

[The price is very low, and it is pretty much optional DLCs for fans to further support the publisher. I will give it a downvote to protest against this kind of cosmetic DLC hell.. I DON'T WANT TO USE THE EPIC STORE FOR BORDERLANDS RELEASES.. This game is full of absurd useless DLC, too hard to just sell the game with all in it? Shift keys system is really a bad idea too!](#)
